Kriya
Delightfully Organic!

Our Mission

To deliver high quality, cost effective organic crop inputs, helping agriculture meet the challenges of chemical free produce at scale

Our Vision

To be a comprehensive crop care solution provider promoting sustainable & environment safe agricultural practices

Our Values

Prioritize quality, integrity in business, customer centric, embracing change, reliability, trust and serve to the mission of the organization

Kriya
Delightfully Organic!

Pillars for accomplishing our mission

- Focus on quality and total customer satisfaction.
- Skilled, Knowledgeable, Dedicated and Loyal workforce.
- Cost effective manufacturing, through modern and automated infrastructures.
- Strategic partnership with global presence.
- Located at prime raw material sourcing area.
- Established and maintaining a laboratory with state-of-the-art facilities.
- Financial stability through backing from high net-worth investors.

Kriya Functions

Kriya
Delightfully Organic!

- Kriya is actively involved in Technical Grade Botanical extraction.
- Kriya has well-equipped manufacturing facility including the state-of-the-arts of Solvent Extraction & Super Critical Extraction.
- Kriya has a sophisticated analytical testing facility & R&D wing for product development.
- Kriya's Botanical Extracts are used in Agriculture, Nutraceuticals, Pharmaceuticals, Vetinary Products and Cosmetic Industry.
- Kriya extracts Secondary Metabolites from Microbials for Human health care & Vetinary.

Product Portfolio

BIO CONTROL

BOTANICAL EXTRACTS

- **Ecoza** - *Azarachtin*
  - **Ecoza Max** - *Azarachtin 3.0% EC*
  - **Ecoza Ace** - *Azarachtin 1.2% EC*
  - **Ecoza Pro** - *Azarachtin 0.3% EC*
  - **Ecoza Rix** - *Azarachtin 1.2% WSP*
- **K-Guard** - *Karanja 2.0% EC*
  - **K-Rix** - *Karanjin 5.0% WSP*
- **Margoshine** - *Neem Oil 70% EC*
  - **MargoRix** - *Neem Oil 35% WSP*
- **Admira** - *Essential Oil*
  - **Admira Adyme** - *Thyme Oil*
  - **Admira Admon** - *Cinnamon Oil*
  - **Admira Adrlic** - *Garlic Oil*
  - **Admira Adove** - *Clove Oil*
- **WeedX** - *Weedicide*
- **Pyrethrum**

MICROBES

- **Mycova** - *Beauveria bassiana*
- **Rexora** - *Meterhizium anisopliae*
- **Biota -V** - *Tricoderma viride*
- **Biota -H** - *Tricoderma harzianum*
- **Neuvita** - *Pseudomonas fluorescens*
- **Seira** - *Verticillium lecani*
- **Encilo** - *Verticillium chamdosponum*
- **Subtilix** - *Bacillus subtilis*
- **Elixora** - *Bacillus amyloliquefaciens*
- **Spindura** - *Secondary metabolites*
  - **Spindura Plus** - *Spinosad 25.2% SC*
  - **Spindura Pro** - *Spinosad 2.5% SC*
  - **Spindura Rix** - *Spinosad 12% WSP*

BIO FERTILIZER & BIOSTIMULANTS

PLANT BASED

- **Zenita** - *Neem based PGP*
- **Cropsia** - *Plant based PGP*
- **Orgocare** - *Anti-stress*

NATURAL SUBSTRATES

- **Blooma** - *Seaweed extract*
- **Envicta** - *Humic & Fulbic*
- **Engrow** - *Seed Coating*
- **Mystica** - *Wetting & Spreading Agent*

MICROBES

IGreen
Consortia of Bacteria

- **IGreen NPK** - *Azotobacter chroococcum*, *Bacillus megaterium*, *Frateuria aurantia*
- **IGreen Shield** - *Bacillus llcheniformis*, *Bacillus amyloliquefaciens*, *Bacillus subtilis*
- **IGreen N** - *Azotobacter chroococcum*, *Azospirillum barsilense*, *Rhizobium spp*
- **IGreen P** - *Bacillus megaterium*, *Bacillus polymyxa*
- **IGreen K** - *Frateuria aurantia*, *Bacillus mucilaginosus*
- **IGreen Zn** - *Bacillus subtilis*, *Bacillus megaterium*
- **IGreen S** - *Acidothiobacillus ferrooxidans*
- **IGreen Si** - *Bacillus mycoides*

Fungus

- **EnRhize** - *Arbuscular Mycorrhiza*

Our Infrastructure Includes...

Kriya
Delightfully Organic!

- ★ Herbal Sourcing Network
- ★ Herbal Drying and Cleaning
- ★ Seed Storage Facility (Cold)
- ★ Expellers & Pelletizers (Neem Cake)
- ★ Rotary Oil Crushing
- ★ Botanical extraction
- ★ Microbial Solid State Fermentation
- ★ Microbial Submerged Fermentation
- ★ Technical Standardization
- ★ Technical Storage (Cold Storage)
- ★ Formulation Facility
- ★ Packing & QC setup
- ★ R&D

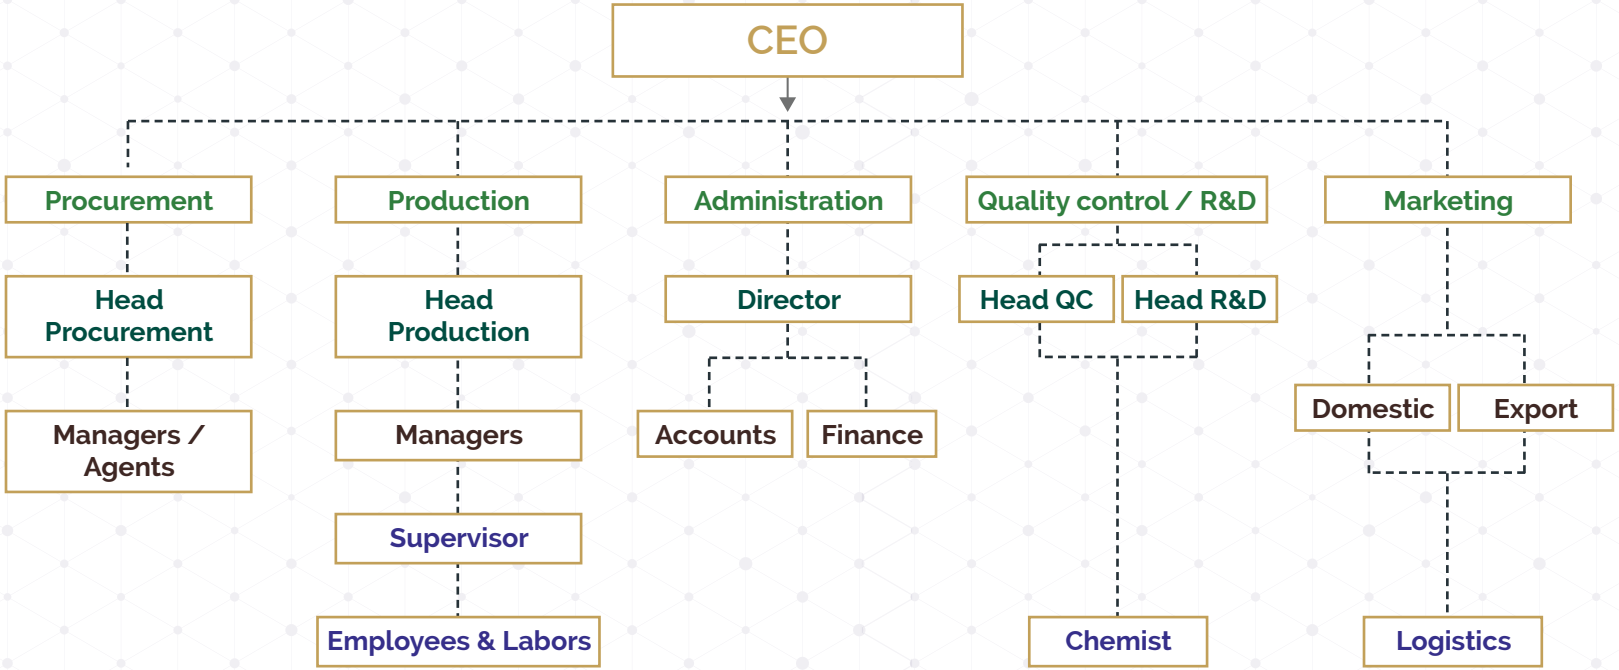
Organisation Chart

Kriya
Delightfully Organic!



Industrial Technology

Kriya
Delightfully Organic!

Our industrial unit has the manufacturing technology to make the production faster, simpler, and more efficient.

Kriya has innovative and technically competent professionals who aid us to attain effective and profitable efficiency.

Kriya
Delightfully Organic!

Traceability

The quality management module is integrated with other modules of the ERP system, allowing you to track accurate information about a product and all its components, bringing in real time all the analyzes relevant to the batch and work shift performed.

Kriya
Delightfully Organic!

Quality Certified

Laboratory unit equipped with state of the art analytical equipment aimed at quality control and monitoring of molecules in the development of new products

Kriya
Delightfully Organic!

R&D

Kriya invests heavily in research and development of new Botanicals and products, keeping “one step ahead” in agricultural specialties and environmentally friendly solutions .

SWOT Analysis

Kriya
Delightfully Organic!

Strengths

- Skilled, Knowledgable, Dedicated and Loyal work force.
- Manufacturing Facility and QC setup.
- Location - Prime raw material sourcing area.
- Financial - Backing from high net-worth investors.

Opportunities

- The increasing consumption of organic pesticides and fertilizers.
- Growing awareness among people towards the harmful effects of chemical pesticides and cosmetics.

Weakness

- Herbal industry is seasonal.
- Botanical is nature dependent.seasonal variation may affect the raw materials.

Threats

Uncertainty in price as the yield of botanical inputs varies year by year.

Where we Trade

Kriya
Delightfully Organic!

- USA
- Brazil
- Vietnam
- Senegal
- Dubai
- Togo
- Kenya
- Zambia
- Uganda
- Equador
- China

★ We export to more than 20 Countries around the world.

★ We have US EPA Registration for five products.
